Dear Parents and Guardians,

Thank you for the opportunity to be a part of your family's life this summer! For the past 57 years, Kirkmont Center has given children the experience of a lifetime – a place where kids can make friends, explore, learn more about themselves and being in a community. Our goal is to create an environment that is safe, supportive and spiritually enriching. A strong partnership between parents, campers and staff strengthens the opportunity for a positive and fulfilling camp experience.

This Handbook is supplemented by our FAQ's (Frequently Asked Questions) about summer camp on our website. The FAQ's go into more detail concerning cabent life, our staff, program, health and safety, food service and check-in/check-out procedures. We hope this information will help you in preparing for your time at Kirkmont Center.

Please bookmark our website ([kirkmontcenter.org](http://kirkmontcenter.org)). Call if you have any questions or concerns. Thank you for sharing your child with us this summer!

## THE KIRKMONT CENTER EXPERIENCE

### Life Skills and Values

At the core of our program is the cabent group and the lessons that come from living together with eight to ten other people. Through this experience, campers learn life skills and values that will serve them throughout their life. Our focus that your child will learn more about themselves and faith while at camp helps set us apart from other experiences. Each night, the cabent group will come together, reflect upon the day and set goals for the next.

### Benefits of Coming to Camp

During your camper's adventure at the Kirkmont Center, they will get to experience many new activities unique to our natural setting. During the week (or more!), activity and cabent groups will be able to explore our beautiful 278 acres, lake Reed, study pond, fen, waterfalls, participate in fun games like cageball, work together to solve challenges, or even solve a mystery! During their stay, campers, depending on age, get to participate in morning activities to help master skills, such as target sports, outdoor living skills, canoeing, or creative arts. Friendships grow deeper, children escape the frantic pace of life (especially without technology), and a sense of belonging is created between their groups and cabent mates. This can have a profound, forever memorable effect upon one's life. Our entire camp program is geared toward helping campers gain confidence, build friendships and develop a sense of community.

### Camper Ages and Programs

Although we believe it is important for older and younger children to learn together, our camps are divided into programs that help ensure your child's experience is age appropriate. During some evenings, we participate in big group games for all camp interaction. Our campers range age 7-17.

### Theme for 2020 Summer: This is Our Prayer

Kirkmont Center uses Chalise Press "InsideOut" curriculum. This summer, campers will explore the shared longings of the human heart and all the different ways Christians have prayed throughout history. Through Bible stories and spiritual practices, we discover a deeper connection with God and each other and grow into the beloved community of God, where youth and adults are loved and celebrated for who they are.

This is our prayer!

### Affordability ... for all.

Camp should be affordable for everyone. DeLair Family Camperships are based on need and special circumstances. If you can, please consider helping others through donations to the DeLair Campership Fund and our Annual Fund. By helping others, you can help the Kirkmont Center grow and serve.

**Our Staff** is comprised of young adults who have completed at least one week of specialized training each year. Staff are chosen for maturity, commitment to children's growth and a love for making a difference. All Staff are CPR/First Aid certified.

## CAMP STORE ACCOUNT

Campers may purchase items from the Camp Store daily, as well as on Sunday and Saturday. Each camper has a Camp Store “Bank Account”. Additional cash is not needed at camp. This includes teens! We recommend \$30 - \$60 in store accounts (depending on family spending habits, what the camper wants, etc.) for the week. Campers come to the store individually and our Store Manager records all purchases.

**Any remaining Store funds at the end of the week will be donated to the DeLair Family Campership fund that enables children to attend camp.**

### How do I write a good letter from home? ([Via summercamphandbook.com](http://www.summercamphandbook.com))

A good letter from home is informative, upbeat, and encouraging. Your goal is to say a cheerful hello and give a positive report about what's been going on. You want to instill confidence and support your child's growing independence. Avoid mentioning sad things that your child can't do anything about. Save mild bad news until you can talk to your child face to face. (Obviously, if there is a major piece of bad news to report, and you need to tell your son or daughter immediately, you would not put that in a letter either. Instead, you'd call camp and talk to the director first.)

In a quality letter, it's fine to say that you miss your child, but don't say that you're miserable. Hearing bad news you can't do anything about makes kids feel helpless. Helplessness leads to homesickness, depression, and anxiety.

Here's an example of an informative, upbeat, and encouraging letter from home:

*Dear Chris,*

*How is camp going? Did you get a chance to do archery yet? I know you were pretty excited about that when we dropped you off. I'm sure you're getting to try lots of fun new activities.*

*What's your cabent leader like? He sure seemed nice when I talked with him. I think that's pretty neat that he's going to the same college as Aunt Kathy went to. What a coincidence!*

*Yesterday, I worked until about 4:30pm and then came home to weed the garden. I was surprised to find four big tomatoes that were already ripe! I picked them and brought them inside for dad to make spaghetti sauce later this week.*

*Spot is doing great. Dad and I take turns walking him. Yesterday, he found a tennis ball under the Borozan's hedges and he was running around trying to get me to play catch. I did for a while, but then the ball got really slimy. Yuck!*

*I'm so happy that you had the chance to go to camp this summer, Chris. What a wonderful experience! I just loved camp when I was your age. My favorite part was singing songs. Have you learned any camp songs? What about camp cheers?*

*Dad and I miss you and we love you a lot. We'll be there to pick you up on Friday the 13th. Until then, have a great time. I'll write more soon.*

*Love, Mom*

*P.S. I cut out the last three Thunder Cat cartoons from the paper and enclosed them. I'll send the Sunday cartoons on Monday. Enjoy!*

This letter sounds a little contrived because it is. You can surely write something more personal and sincere. The strength of this sample is that it contains the key elements of a good letter from home: It's informative, upbeat, and encouraging. Plus, it mentions when the parent will write again, and it contains a lot of questions. This invites the child to write back. (You can at least hope, right?) Finally, the letter includes some newspaper comics. Interesting, age-appropriate newspaper or magazine clippings add interest to your letters. You can also insert photographs or drawings or whatever you dream up that fits in an envelope.

### **Staff-To-Camper Communication Policy**

As part of our child abuse prevention policy, camp counselors are not permitted to communicate (email, social networking or telephone) or interact with campers after the camper departs. Our staff is asked to mark their social networking (Facebook, etc.) websites for private invitation only, preventing campers from viewing staff members' personal websites. We appreciate your cooperation in reinforcing this policy with your camper(s).

## ON HOMESICKNESS

### Important Information

It may be your instinct to send a cellphone to camp with your child in an attempt to cut down on homesickness. Our experience consistently indicates the opposite result.

Talking to or texting parents brings up memories of home. We find it increases homesickness. This not only affects your child but the children around them.

In addition, cellphones and other personal electronics reduce face-to-face connections that your child will make during their summer at Camp and hinder their ability to make new friends.

## BEHAVIOR & DISMISSAL POLICY

As a close-knit community, Kirkmont Center expects each camper to respect themselves and everyone at camp, as well as the rustic facilities and surroundings. All members of the Kirkmont Center community are expected to behave responsibly and appropriately at all times.

After reasonable efforts to modify irresponsible or inappropriate behavior (including but not limited to bad language, use of threats or fighting), a camper may be dismissed. Direct threats of significant physical harm to self or others are grounds for immediate dismissal, as is the possession or use of tobacco, drugs, or alcohol while in a camp program.

Campers dismissed for disciplinary reasons are not allowed back in Camp for the remainder of the summer and may be asked not to return to Camp in the future.

## AND THAT'S ALL FOLKS!!

I hope that you are feeling comfortable with Kirkmont Center after reading the Parent Handbook. We want you and your camper to feel prepared and safe coming to a week of adventure, growth, and building confidence.

However, if you do have any questions or concerns, please contact us at 937-593-2141 or email:
