

KIRKMONT CENTER CAMP HANDBOOK

Helping you and your campers
have the best experience at camp

Dear Parents and Guardians,

Thank you for the opportunity to be a part of your family's life this summer! For the past 59 years, Kirkmont Center has given children the experience of a lifetime – a place where kids can make friends, explore, learn more about themselves and being in a community. Our goal is to create an environment that is safe, supportive and spiritually enriching. A strong partnership between parents, campers and staff strengthens the opportunity for a positive and fulfilling camp experience.

This Handbook is supplemented by our FAQ's (Frequently Asked Questions) about summer camp on our website. The FAQ goes into more detail concerning cabent life, our staff, program, health and safety, and food service. This handbook covers the ins and outs of camp preparation, check-in and check-out, as well as our policies. We hope this information will help you in preparing for your time at Kirkmont Center.

Please be sure to follow us on Facebook for updates, check out our website, and feel free to call our office if you have any questions or concerns.

WHY CAMP?

Escape the frantic pace of life build confidence, and gain freindships.

During your camper's time at Kirkmont Center they will get to experience many activities and life skills unique to our natural setting and camping style. During the week your camper will be able to explore nature on our 278 acres through hiking, the fen, waterfalls, or at the pond. They will play fun games like cageball or 9-square and find opportunities to work together with others to solve challenges, games, and mysteries. They can even learn new skills like archery, wall climbing, or crafts.

Campers have the unique experience of staying in Cabents, a mix of cabin and tents, for a more rustic camping experience. Campers stay in groups of 4-10 sleeping in each cabent with 1-2 counselors. Campers have a short walk to bathrooms and showers from their cabents as well as a short walk to the dining hall where all meals are held.

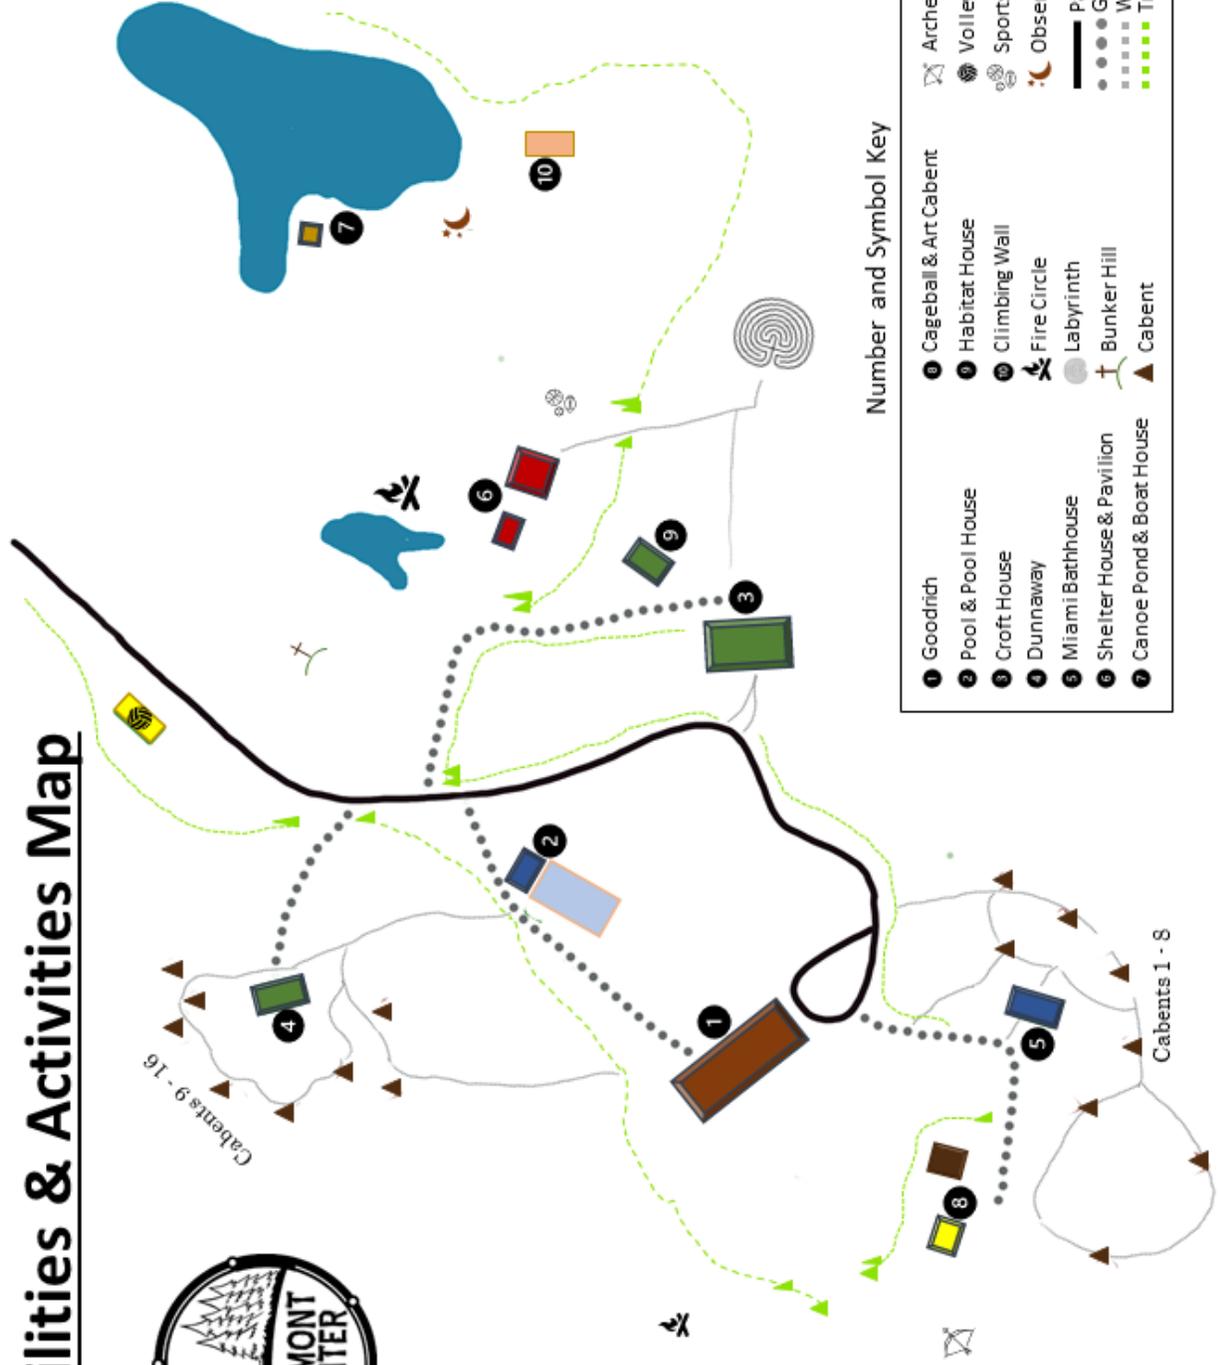

Children will get to escape the frantic pace of life and the outside world's expectations to build relationships and friendships in a space where our goal is to make every camper feel loved and accepted as they are. Research also shows that exploring the woods and life creates problem solving and creativity skills in children. Taking a break from technology is also great for development and the improvement of people skills. Our entire program is built around helping each and every camper we encounter gain confidence and self-efficacy, build friendships, and develop a sense of community.

OUR 2022 CURRICULUM

THE TITLE FOR THIS SUMMER'S
CHRISTIAN EDUCATION CURRICULUM IS
"WHAT'S IN A NAME"

"Names have great power. Some hold special meanings and some come with expectations. In a lifetime, we may give new meaning to our name or take a new name. Along the journey, we discover who we are and how God equips us to care for others...we'll look at how the people of the Bible confronted expectations, confounded others' assumptions, and forged new identities. Campers are invited to use the sacred ground of camp to reflect on who they are as an individual and how they are connected to others. As we explore, we are reminded that God knows us beyond any name we might be called and invites us into relationship.

CAMPERS WILL BE ASSURED THAT CHRIST'S GRACE MEETS US WHEN WE MAKE MISTAKES AND HIS LOVE GREET'S US WHEN WE OPEN OUR HEARTS. AS WE GROW, LEARN, AND DISCOVER OUR TRUE SELF, WE DEFINE OUR OWN NAME AND FIND OUR PLACE AS A CHILD OF GOD."

Every camper should be able to attend camp.

Affordability for ALL

Camp should be affordable for everyone. DeLair Family Camperships are based on need and special circumstances. If you can, please consider helping others through donations to the DeLair Campership Fund and our Annual Fund. By helping others, you can help the Kirkmont Center grow and serve.

Or mail them to your camper at the address below. OR you can e-mail your camper at camper@kirkmontcenter.org! Be sure to include your camper's name and cabent number as the subject of the email. E-mails must be received by 11:00am each day.

camper@kirkmontcenter.org
or send it through the portal
on our website

CHECK-OUT

**Time will depend on Camp. Check your
Camp Letter for More information.**

Like check-in, check-out is a "drive through" process. When you pull into camp follow the pavement all the way down to Goodrich. Parents will remain in the vehicle at all times. A staff member will ask you who you are here to pick up. All campers are to be signed out by authorized parents, guardians, or adults with a picture ID.

Staff will then direct you to a location where they will bring the camper(s), luggage, and medication to you.

POLICIES AND PROCEDURES

VISITORS & COMMUNICATION

We ask that parents and/or friends do not visit or call campers during the camping session as campers are busy playing, developing independence and being kids. Unplug for the week! Campers are not permitted to have cell phones at camp. This policy helps reduce homesickness and results in an improved program. Please feel free to call the camp office and speak with a Director for any extenuating or family situations.

CELL PHONE POLICY

If staff find your camper with a cell phone, that cell phone will be confiscated and locked in the office and only returned at the end of camp. It may be your instinct to send a cellphone to camp with your child in an attempt to cut down on homesickness. Our experience consistently indicates the opposite result. Talking to or texting parents brings up memories of home. We find it increases homesickness. This not only affects your child but the children around them.

In addition, cellphones and other personal electronics reduce face-to-face connections that your child will make during their summer at Camp and hinder their ability to make new friends. We have also found in the past that campers are more likely to communicate with home rather than with their counselors or leaders if there is a problem leading to the problem only getting worse rather than allowing our highly trained staff to help solve the situation to make everyone involved happy and safe.

ON HOMESICKNESS

Our staff our highly trained in handling homesickness and similar situations. We only allow campers to call home in emergency or extreme situations. However, you may hear from a staff member if your camper is feeling homesick to request an extra letter from home or to ask for any comfort activities you may do together at home when your camper is distressed.

STAFF-TO-CAMPER COMMUNICATION POLICY

As part of our child abuse prevention policy, camp counselors are not permitted to communicate (email, social networking or telephone) or interact with campers after the camper departs. Our staff is asked to mark their social networking (Facebook, etc.) websites for private invitation only, preventing campers from viewing staff members' personal websites. We appreciate your cooperation in reinforcing this policy with your camper(s).

BEHAVIOR & DISMISSAL POLICY

As a close-knit community, Kirkmont Center expects each camper to respect themselves and everyone at camp, as well as the rustic facilities and surroundings. All members of the Kirkmont Center community are expected to behave responsibly and appropriately at all times. After reasonable efforts to modify irresponsible or inappropriate behavior (including but not limited to bad language, use of threats or fighting), a camper may be dismissed. Direct threats of significant physical harm to self or others are grounds for immediate dismissal, as is the possession or use of tobacco, drugs, or alcohol while in a camp program. Campers dismissed for disciplinary reasons are not allowed back in Camp for the remainder of the summer and may be asked not to return to Camp in the future.

If you have any questions or concerns please contact us at 937-593-2141 or email info@kirkmontcent.org.

EMERGENCY & COVID POLICIES

COVID Policies

In light of the ongoing COVID-19 pandemic we have policies that we will continue using during the camping season in 2022. The full explanation of all policies that happen with staff behind the scenes can be found on our website however the policies that will apply directly to your camper.

- Frequent hand washing and sanitization will be expected and encouraged.
- Masks must be worn when indoors in spaces with no ventilation.
- Masks must be worn when singing in groups that are not spaced 6ft apart.
- Campers will be interacting in groups of no more than 50. If a camp has over 50 campers "pods" will be created to encourage smaller group interaction.
- As many activities as possible will be held outside for ventilation.
- Temperatures may be taken each morning to monitor all campers and prevent outbreak.
- Meals will start outside and groups will be called in by family to keep space between groups.

Emergency Policies

In case of a weather emergency we will update parents via e-mail and Facebook. Camp directors have a weather radio to keep updated on any weather emergencies.

In case of any other kind of emergency parents will be directly contacted by camp staff for a camp-wide emergency most likely after the emergency has been handled for updates and explanations.

In case of a medical emergency the camp Nurse will be contacting guardians directly.

HOW DO I WRITE A GOOD LETTER FROM HOME?

(Via summercamphandbook.com)

A good letter from home is informative, upbeat, and encouraging. Your goal is to say a cheerful hello and give a positive report about what's been going on. You want to instill confidence and support your child's growing independence. Avoid mentioning sad things that your child can't do anything about. Save mild bad news until you can talk to your child face to face. (Obviously, if there is a major piece of bad news to report, and you need to tell your son or daughter immediately, you would not put that in a letter either. Instead, you'd call camp and talk to the director first.)

In a quality letter, it's fine to say that you miss your child, but don't say that you're miserable. Hearing bad news you can't do anything about makes kids feel helpless. Helplessness leads to homesickness, depression, and anxiety.

Here's an example of an informative, upbeat, and encouraging letter from home:

Dear Chris,

How is camp going? Did you get a chance to do archery yet? I know you were pretty excited about that when we dropped you off. I'm sure you're getting to try lots of fun new activities.

What's your cabent leader like? He sure seemed nice when I talked with him. I think that's pretty neat that he's going to the same college as Aunt Kathy went to. What a coincidence!

Yesterday, I worked until about 4:30pm and then came home to weed the garden. I was surprised to find four big tomatoes that were already ripe! I picked them and brought them inside for dad to make spaghetti sauce later this week.

Spot is doing great. Dad and I take turns walking him. Yesterday, he found a tennis ball under the Borozan's hedges and he was running around trying to get me to play catch. I did for a while, but then the ball got really slimy. Yuck!

I'm so happy that you had the chance to go to camp this summer, Chris. What a wonderful experience! I just loved camp when I was your age. My favorite part was singing songs. Have you learned any camp songs? What about camp cheers?

Dad and I miss you and we love you a lot. We'll be there to pick you up on Friday the 13th. Until then, have a great time. I'll write more soon.

Love, Mom

P.S. I cut out the last three Thunder Cat cartoons from the paper and enclosed them. I'll send the Sunday cartoons on Monday. Enjoy!

This letter sounds a little contrived because it is. You can surely write something more personal and sincere. The strength of this sample is that it contains the key elements of a good letter from home: It's informative, upbeat, and encouraging. Plus, it mentions when the parent will write again, and it contains a lot of questions. This invites the child to write back. (You can at least hope, right?) Finally, the letter includes some newspaper comics.

Interesting, age-appropriate newspaper or magazine clippings add interest to your letters. You can also insert photographs or drawings or whatever you dream up that fits in an envelope.

Kirkmont Center has established the DeLair Family Campership Fund, in honor of Ed, to help support and fund anyone in need. Because the Campership Fund is based entirely on donations, the amount of available funds varies every year. Many churches offer youth scholarships.
